# Your Community Fund

United Way works to advance the common good by focusing on the three building blocks for a good quality of life - Education, Income and Health. We are recruiting people and organizations from all across the community who bring the passion, expertise and resources needed to get things done and we need you to join us. Give Today! It takes an entire community to make a difference and we need *you*. When we work together for a common purpose, we all LIVE UNITED.

## EDUCATION

We are helping children and youth achieve their potential in school and in life by ensuring they reach the benchmarks for graduation. By preparing them for the challenges of learning and providing safe educational environments after school, we can keep kids focused on learning and achieving their goals.

## INCOME

We work to help individuals and families achieve financial independence and raise their standard of living. United Way assists individuals and families experiencing a financial crisis to meet their basic needs for food, shelter, and child care - while providing the opportunity to advance their education, career development, and financial knowledge.

## HEALTH

We are improving people's health by increasing access to testing and preventive care, drug and alcohol treatment, reducing child abuse and domestic violence, and making sure our residents have enough healthy food to eat.

## LEAD BY EXAMPLE, GIVE WITH PURPOSE

Together we can do more than we could ever accomplish alone. We recognize that you have many options when it comes to charitable giving and are grateful that you've chosen the United Way Community Fund as your means of helping the most people possible in our community. We invite you to join us at the Leadership Giving level, either individually or by combining gifts with your spouse/partner, as follows:

500 Club\* ..... \$500 - \$999

Leadership Circle

Bronze ..... \$1,000 - \$1,999

Silver ..... \$2,000 - \$2,999

Gold ..... \$3,000 - \$4,999

Platinum ..... \$5,000 - \$9,999

Alexis de Tocqueville Society ... \$10,000 and above

*\*The 500 Club* is our newest affinity group created to honor members of our community who have demonstrated the belief that the health and welfare of our neighbors is worth a significant personal investment. For \$1.38 per day, you too can be a member of the 500 Club.

## LOYAL CONTRIBUTOR PROGRAM

Have you been contributing to United Way for more than 10 years? We want to know who you are! Sign up for the United Way Loyal Contributor Program right on your pledge card so we can recognize you and provide you with updates on how your contributions are creating opportunities for a better tomorrow. We'll also offer ongoing opportunities to LIVE UNITED through volunteerism and advocacy.

## YOUNG LEADERS UNITED

The mission of Young Leaders United (YLU) is to support the work of United Way and foster a spirit of community involvement among the next generation of leaders. It is YLU's goal to inspire advocacy, philanthropy and volunteerism in our community.

## WOMEN'S LEADERSHIP FUND

The Women's Leadership Fund (WLF) mobilizes the caring power of women in our community who, as philanthropic leaders and advocates, positively impact the lives of women and girls in Orange County. Members of the WLF have a very powerful voice in where the funds will be distributed.
